Re: Notice of File Closure for Small Mining Activities, TJKSJ Project, S/053/046, Washington County, Utah

Dear Mr. Feller:

This letter is to notify you that file #S/053/046 for the TJKSJ project, located in Section 28, T40S, R16W, Washington County, Utah, will be retired from our files.

The BLM notified us that they recently inspected the project area and found no work requiring a notice was found. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly. You are hereby released from any further mining or reclamation responsibility at this site. If you wish to restart any mining in this area, you will have to submit a new notice to the appropriate agency, pay the appropriate fees, and receive written approval prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5310.

Sincerely,

A handwritten signature in black ink, appearing to read 'L. Kunzler'.
